

Chairman Moran Of Blood Donor Unit Calls For Volunteers

Each Citizen Urged To Donate His Share

RED CROSS BLOODMOBILE will be in Arlington, April 4 and 5 at St. Johns Parish House, Pleasant Street from 1 to 7 p. m.

When the Red Cross bloodmobile comes to Arlington on April 4 and 5, more than 200 local donors are expected to be enrolled to give blood for the ill and injured in military and civilian hospitals, Dr. Richard J. Moran, blood donor chairman announced.

Dr. Moran said that blood is needed as much now as it ever was before. Stating the victims of automobile accidents, victims of injuries sustained in the home, illnesses of both young and old are aided by blood and blood products, Dr. Moran said that giving blood is one way to practice the precept of "help thy neighbor."

"To enroll 200 donors should be a comparatively easy task," Dr. Moran said. "But that is not the case. Blood is so urgently needed in hospitals today that the supply never meets the demand. It is up to every eligible healthy person here to make a point to donate."

"More than five pints of blood for each hospital bed in this area are needed annually. Blood saves from RH conditions, and blood is the life-saving element that aids those hurt in accidents or stricken by maladies.

"To give blood is an easy, effortless process. It takes less than 30 minutes of one's time to give, and it's time that will, positively, help save lives.

"Many in Arlington have donated to the peacetime program of the Red Cross, and to them we extend thanks, but must ask that they, too, again render help. There is no substitute for human blood."

Phone registrations can be made by those who are not personally contacted by committee members. The number is ARlington 5-1741-J.

During the coming week a corps of volunteers interested in the blood program of the Red Cross—which was instituted to help every one regardless of faith, nationality or color—will canvass Arlington to enlist donors.

Eligible to donate are persons between the ages of 18 and 59, with those in the 18-21 bracket required to have parental permission.

Archbishop Cushing To Lead Pilgrimage To Ireland Sept. 9

Many members of the Catholic Church are planning to sail on the Pilgrimage to Ireland, under the personal leadership of the Most Reverend Richard J. Cushing, Archbishop of Boston, in September.

This Pilgrimage is planned to be the forerunner of many other pilgrimages from American cities. Prime Minister John A. Costello, of Letters, makes the following statements in a letter recently written to the Archbishop, stating

that the Irish people will be "deeply honored to welcome" the Archbishop and his party.

In his invitation, Prime Minister Costello pleasantly recalled his visit to Boston last fall, and stated that he was delighted to learn that "so much work has been done on what, when I had the honor of visiting you last autumn, was a wonderfully ambitious proposal." He promised the full co-operation of the entire Irish government to "furnish you with every possible assistance in carrying out your plans."

The Pilgrimage under the personal guidance of Archbishop Cushing will sail from Boston this coming September 9, in the Britannic of the Cunard White Star Line, the speediest motorship to reenter the postwar transatlantic service. The American Express

Catholic Travel League has been designated to handle all travel arrangements for the Archbishop and his Pilgrims. Special headquarters have been established at the offices of the American Express Company in Boston, at 378 Boylston, for the convenience of those wishing to make reservations or inquiries.

Archbishop Cushing states that he has received invitations from government officials and church dignitaries of Ireland to hold event in honor of this historic pilgrimage the first of its kind ever to be attempted.

Many pilgrims will take advantage of their pilgrimage in Ireland, visit relatives and friends in various countries, some to see their birthplaces for the first time for more than a quarter of a century, perhaps, and will be able to rejoin the party for the return voyage. Other pilgrims, following the three day stay in Dublin, will plan to make an extended tour of the Emerald Isle, with the Archbishop, prior to returning to the states. There will also be an opportunity for those desiring it, to take advantage of several tours to the continent. Reservations states the Archbishop are already being taken up far in advance of the date of sailing, and it is suggested that those who contemplate joining the party, make known their wishes in the matter without delay.

Pyramid Fad Going Strong Here As Winners Collect And Rejoin

Members, Spurred On By Reports Of Impending Collapse, Redouble Efforts To Form New Groups

Softball League

All groups interested in joining the Town Adult Softball League, should get their application blank at the Park Department office and return same by Monday April 11, 1949.

Many inquiries from new entries have already been received so it is important that all entries be filed by April 11, 1949.

Permits

A last reminder to all that the final date for filling requests with the Park Department for permits to use the various athletic fields in the Town, is April 5, 1949.

Requests received after this date will not be considered until all other requests have been satisfied.

The patient is still running a high temperature here! Arlington which broke out in a rash of acute pyramitis several days ago, was still alive and kicking as hundreds gave it transfusions of fresh money and intravenous of new faces.

Needless to relate the town has been for the past few days reeling from pyramitis, as it seemed the entire population on Monday evening, in the eyes of the hard working police department under Chief Bullock, was in a turmoil of "Pyramid Phobia".

First to reach the ears of the public was a resident of Churchhill Avenue, who was in the act of getting paid off to the tune of \$2,048. Scores of cars driving to his door, from which alighted a deluge of dutiful collectors, ready to deposit the dollars contributed by other slap-happy hopefuls, kept Archie Bullock and his faithful men, busy to the point of exhaustion throughout Monday night.

The Archbishop Cushing fund is to come in for a goodly donation, according to another resident of the town, on Bartlett street, who stated that she was not a winner herself, but had permitted two girls to use her address to collect their winnings. In her special club she stated, one hundred dollars is donated to charity previous to any payoff, and her club planned to enrich the Archbishop Cushing charity fund by a sizeable sum.

On Tuesday, at least eight more payoff parties were seething in town. Another of the Arlington winners, residing in the Morningside section of the town, was a repeat winner, the wife collecting on Tuesday night, as her husband had done the previous evening, all under the same police protection provided by hard working Chief Bullock and his finest.

Telephone company reports all time record for telephone calls for Monday and Tuesday, with every available operator enlisted to handle the calls on the manually operated exchanges and all of the girls on the early morning and day shifts forced to remain for extra hours of duty.

Cab drivers also report that Pyramitis has brought them a bonanza in local stands, with hundreds of participants hailing cabs to get to payoff parties and hurrying to get their name enrolled in new clubs.

Throughout Monday and Tuesday evenings, parties throughout Arlington in private homes go on at feverish pitch, with late joiners in frantic rush to sign up others and repeaters bobbing up everywhere.

The fact that only a small number of present members have a chance to win top payoff of \$2048 no deterrent to hundreds of pyramid happy people.

Noted was smiling Officer Arthur G. Guarente of Arlington's finest, who acted as route officer in the Morningside section of the town. Guarente was kept busy handling traffic moving outside the home of another happy pyramid club winner.

Speaking of pyramid clubs, a disgruntled Norwood man said he is going to start a new club called the funnel club. All you have to do is to send him \$2048, and he will guarantee that you get a dollar back. No running around getting other members and no house to house calls partaking of coffee and doughnuts.

SELECTMEN MAKE APPOINTMENTS

The Arlington Board of Selectmen at their Monday meeting, made the following appointments: Paul H. Mossman, Inspector of Buildings; Chief Archie F. Bullock, Keeper of the Lockup; Chief Archie F. Bullock, James J. Flynn, Thomas F. Meagher and Thomas F. Sullivan, field drivers. Paul H. Mossman and James J. Dolan, fence viewers. Arthur P. Wyman, Registrar of Voters. John R. Sal-

mon, Chairman Building Board of Appeals, Harold E. Magnuson, associate member of Board of Appeals Robert L. Reid and Russell T. Hamlet Town Counsel were re-appointed to office at the recent joint meeting of the Arlington Board of Selectmen and the Board of Public Works, at which time Joseph Peterson was elected chairman of the Board of Selectmen for the year 1949.

National Boys' Club Week

TWO BASIC FACTS EMERGE FROM ANY CONSIDERATION OF THE CAUSES OF CRIME. FIRST, IT IS IN CHILDHOOD AND ADOLESCENCE THAT WE MUST LOOK FOR THE CONDITIONS WHICH PRODUCE DELINQUENTS AND CRIMINALS. BOYS ARE NOT BORN CRIMINALS—THE GROW THAT WAY. SECOND, BECAUSE OF NOTHING ELSE TO DO, THEY SPEND THEIR FREE TIME AWAY FROM HOME, SCHOOL AND CHURCH, DOING THE WRONG THINGS AND UNDER WRONG LEADERS. THE MORE INGREDIENTS IN A BOY'S HOME—THE FEWER RESOURCES HIS PARENTS HAVE—THE MORE ADVERSE THE NEIGHBORHOOD ENVIRONMENT AND INFLUENCES ARE—THE MORE THE PROBABILITY THAT HE MAY BECOME A DELINQUENT.

BOYS' CLUB MEMBERSHIP IS AVAILABLE TO THE POOREST BOYS. THEIR DOORS ARE OPEN TO BOYS EVERY WEEKDAY AFTERNOON AND EVENING. DIVERSIFIED ACTIVITIES ATTRACT BOYS OF VARYING INCLINATIONS. THEIR CONSTRUCTIVE ACTIVITY DEVELOPS CONSTRUCTIVE INTERESTS. THE CLUB LEADERS GUIDE BOYS IN THE WAYS OF GOOD CITIZENSHIP WHEN THEY ARE AT THE AGES WHEN HABITS AND ATTITUDES ARE IN PROCESS OF FORMATION. THE PRINCIPLE OF BOYS' CLUBS IS TO BUILD GOOD CITIZENS, BUT IN DOING SO, THEY HAVE DEMONSTRATED THEIR EFFECTIVENESS IN LESSENING DELINQUENCY.

IN THE WORDS OF J. EDGAR HOOVER, DIRECTOR OF THE F. B. I., "I HAVE STUDIED AND SEEN THE BOYS' CLUBS AT WORK. THEIR PROGRAM OF RECREATION, PHYSICAL TRAINING, ATHLETICS AND VOCATIONAL CLASSES ARE OUTSTANDING. ANY BOY CAN BELONG IF HE IS FORTUNATE ENOUGH TO LIVE IN A COMMUNITY THAT SUPPORTS A BOYS' CLUB—IF NOT, A BOYS' CLUB CAN BE STARTED WITH THE AID AND ASSISTANCE OF THE BOYS' CLUBS OF AMERICA. FROM THESE GROUPS COME THOUSANDS OF LAW ABIDING CITIZENS WHO ARE AN ASSET TO THEIR COMMUNITIES. THERE ARE OTHER BOYS WHO ARE NOT SO FORTUNATE WHO, BECAUSE THEIR ENERGIES ARE NOT DIRECTED ALONG CONSTRUCTIVE, WHOLE-SOME LINES BECOME LAW VIOLATORS. BY DEVELOPING GOOD CITIZENS, THE BOYS' CLUB ARE PREVENTING CRIME."

Arlington Members Of Home Builders Committee To Handle Home Week Plans

The most extensive report to the people ever attempted by the home building industry in this area will be made during National Home Week, September 11-17, 1949, it was announced by Alfred D. Cole, president of the Home Builders Association of Greater Boston.

To facilitate the development of a complete program of Home Week events, Cole said he had appointed a committee of local Home Builders members who will be responsible for bringing every segment of the industry together in a coordinated progress report to the citizens of Boston and Suburban areas.

"The amazing progress made by Home Builders since the war is one of the outstanding accomplishments of American industry," said Cole. In the face of great obstacles the operative builder and the other members of the industry have worked together to set production records. Today we are moving into a normal market, in which the Home Builders can get together the best that is available in design, material and appliances.

"We want the people of Boston and Suburban areas to have a chance to learn of the forward strides that have been made in home building."

Registrar King To Direct President's Safety Conference

The Highway Accident Prevention Program developed by the honorable Rudolph F. King, Registrar of Motor Vehicles, in the Commonwealth of Massachusetts has been recognized on a national level with his appointment to serve as Executive Director of the President's 1949 Highway Safety Conference to be held in Washington June 1, 3.

Major General Philip B. Fleming, Federal Works Administrator and General Chairman of the Conference, in his letter to Registrar King, emphasizes that the 1949 Conference will make every effort to continue the Action Program as a state and local activity. Continuing, the General said, "Direction of the Conference should, therefore, continue to come from an official prominently

identified with state administration. Your eminence in this field and the outstanding record of your State in Highway Safety make you the logical state official to assume the position of Executive Director of the Conference."

His Excellency Paul A. Dever, Governor of the Commonwealth, when advised of Registrar King's appointment, sent the following wire to Honorable Thomas A. MacDonald, Commissioner, United States Public Roads Administration, and chairman of the Conference Co-ordinating Committee, "I am happy to approve Registrar King's acceptance of this appointment. I wish to assure you and Major General Philip B. Fleming of my support of your plans in carrying out this important conference."

Students of Arlington High School and the Arlington School Orchestra will provide the music. The dances have been coached by Miss Jean O'Neil, the popular dancing teacher. She has been assisted by Miss Garrity of the High School. The dialogue is under the excellent dramatic coaching of Miss Lena Manning. The beautiful

music and gay waltzes provide a background for a story of love, intrigue and hilarity.

The leads, some experienced and some making their debut in "The Waltz Dream", are as follows: Staniford Sorrentino, Mildred Gallagher, Eleanor Mulhurn, Bruce Thorburn, Sally MacDonald, Percy Arthur, Ronald Forbes, John Cox, Frank Vento.

Mr. Gaudet is the business and advertising manager of "The Waltz Dream". Tickets are reserved and are on sale at the High School now. Admission to the Junior High School East, where the operetta will be presented, is \$8.00 and \$1.00.

Recovers Stolen Automobile After Exciting Chase

Coincidence entered the life of Benjamin Banks, 37, of 127 Florence Street, Arlington, on Tuesday night, when he was called by the Charlestown police to go to that town and claim his automobile stolen several days before and recovered by them.

Mr. Banks arrived in a truck with his son, Irving, 17 at the Charlestown police station to find the automobile which they recovered was not the one stolen from him on March 22nd. However, while driving home, what did he see driving toward him, but his stolen automobile. While he followed it, his son ran into a drug store and telephoned Cambridge police. They arrived at the intersection of Upland and Walden streets, Cambridge, and with the son, began a search of the entire neighborhood.

Father, in the meantime, had lost track of the stolen car, as it twisted in and out of the Cambridge traffic. But the police and son spotted the car at Hubbard and Walden streets. The police, with guns drawn, proceeded to force the driver to the curb and locked him up.

After that the Messrs Banks returned home in triumph with the family automobile, after many complications.

Come to find out, the thief booked on suspicion of larceny, made the statement that he had been released more than a month ago from the House of Correction, and that he had been living in the car since he stole it last week Tuesday, giving as a reason the fact that he was not on amicable terms with his family who reside in Somerville.

Arlington Couple Married 58 Years

Congratulations also to Mr. and Mrs. John W. Walsh, of 26 Freeman street, Arlington who will on Friday (April 1) celebrate their 58th wedding anniversary. The couple were married in Cambridge, and have resided in Arlington for the past twenty-six years. They have two daughters, four sons, six grandchildren and nine great grandchildren.

Boy Scout Day Planned At Murphy General Hospital

The authorities at the Murphy General Hospital have planned a Boy Scouts Day at the hospital to be held Friday afternoon, April 8. They have arranged a most attractive program which includes a tour of the hospital, a band concert by the 395th U. S. Army Band, a showing of a combat film and participation in the retreat ceremony of the post. Brigadier General Ralph Palladino, Commanding General of the 94th Infantry Division will address the Scouts. All Scouts and Scouters are invited to attend.

Transportation will be furnished by the hospital corps and the assembly place for transportation will be at the corner of Pleasant Street and Massachusetts Avenue, from which point hospital busses will transport the Scouts to the hospital. The busses will leave this point between 2:00 and 2:15 p. m., and will return the Scouts to this point at the end of the visit. All Scouts and Scouters are requested to wear uniforms if possible.

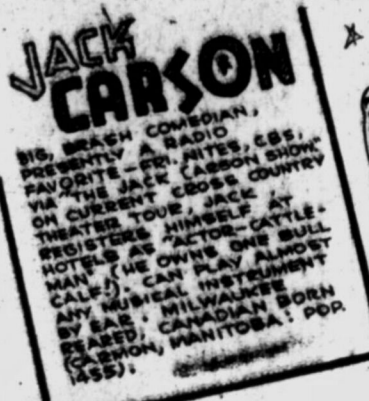

Boys' Club Junior League

On January 25, 1949 the Junior Basketball League at the Arlington Boys' Club got off to a fast start. With ten teams entered in the league, comprised of boys of 10 thru 13 years of age, each team had a roster of eight boys totalling 80 boys in all.

During the season, from January 25 to March 21, five games were held at the Boys' Club on four afternoons a week. In this activity the Boys Club gave the players 80 playing hours, plus

many more hours to cheering fans who take the game as seriously as the players.

With all these boy hours being used in such a short time on the gym floor only, it is not hard to see the popularity the Boys Club helps boys in Arlington to build their character and become better citizens.

The Red Devils Juniors, winners of the Arlington Boys' Club Junior League received miniature Oscars at the Mother and Son Dinner held at the Club on March 28. The Celtics, runner-up in the League, received award emblems for their special playing.

These teams and many more are now signing up for the Arlington Boys' Club spring program.

BOSTON CATHOLIC THEATRE TO PRESENT PLAY APRIL 5-6

Greater Boston theatre-goers who have become devotees of the Boston Catholic Theatre at New England Mutual Hall have something to look forward to in the coming production of Rev. Urban Nagles "Lady of Fatima", which is scheduled to take place April 5 and 6.

A stirring dramatization of the visitation of Our Lady at Fatima, Portugal, in 1917 and the striking events that took place at that time "Lady of Fatima" is the answer to the increasing eagerness

of American people to know more about that important event.

Masterfully written by the famed founder and director of the Blackfriars of New York, who first produced the play and won praise from critics and audience alike, "Lady of Fatima" tells the complete story simply and unpretentiously. It is a dramatic chronicle of the appearance of the "Lady more beautiful than the sun" to three children in a pasture near Fatima.

DEVER SPEAKS BEFORE ARLINGTON CHAMBER

Governor Dever, speaking before the Arlington Chamber of Commerce on Wednesday evening in the Town Hall, told his audience that one of the first projects is seeing that Sae mental institutions are properly staffed and patients given the best of care. He said little had been done the past ten years in improving highways. He warned that projected highway proposals will cost money, and that the motorist will have to share the burden.

The Governor also stated that he considers the duty of the government is to meet the citizens and discuss with them the various problems coming up for solution. There is now approximately the sum of \$10,000,000 available to cities and towns, the major portion of which will be allocated to old age assistance. The reason for such an increase in the old age assistance amounts partly due to the fortunate fact that there is a

definite increase of late years in he life span, and also the fact that the cost of living has greatly increased.

In regard to the Solution of the traffic problems in which Arlington and other suburban towns and communities are vitally concerned, Governor Dever is of the opinion that commuters and those who work in Boston, using the transportation systems, should evince a greater interests in these matters, by attending hearings, and voicing their opinions and suggestions through their representatives and meetings.

In New England the two major ways of making electricity are allies in serving the public—not rivals.

About THREE-QUARTERS of our electricity is generated in the 73 steam-electric plants. The 178 water-power plants, under average water conditions, can produce the remaining ONE-QUARTER.

Several new water-power generating plants are included in the million-kilowatt expansion program now under way in New England but most of the load must be carried by steam-power because of its year-round reliability.

Balanced development of both steam and water power, making the most effective use of each, has given New England the most dependable electric service in the nation.

New K-F "Traveler" Is Two Cars In One

SOMETHING NEW in the automobile industry is the "Traveler," a lower-priced '49 multi-purpose sedan being introduced by Kaiser-Frazer dealers. To all appearances it is a conventional four-door model. But the rear seat cushions fold away and the entire back opens to provide access to more than 130 cubic feet of cargo space. When not in use as a carry-all, the "Traveler" is a deluxe, six-passenger family sedan. The cutaway-view shows how the seat cushions and hinged rear panels function.

Local Boy Winner In Toastmaster Contest

Harry T. Perlmuter, of 303 Gray street, Arlington, was again among winners in an annual New England Toastmasters' public speaking competition, when he placed third in the contest held last Saturday (March 26) at Portland, Maine.

Last year Perlmuter was winner of a perpetual trophy cup awarded at the first convention which was held in Cambridge. Seven other speakers representing chapters in New England were entered in the recent contest.

Perlmuter chose for his talk, "The Perfect Speech," a subject appropriate to the audience of 100 interested in public speaking. He emphasized, just as in speaking one must continually practice and strive for perfection, so should we all in our daily life. It will be a struggle against setbacks, he warned, but the effects of such determination will bring one much nearer to the goal.

Judges for the contest included: Judge Arthur Chapman, active retired judge of the Maine Supreme Court; Kenneth C. M. Sills, president of Bowdoin College; and the Rev. Wallace Anderson of Portland. Lewis C. Turner of Akron, Ohio, vice president of Toastmasters' International, was among the other main speakers at the program.

LITTLE THINGS
By GEORGE LILLEY

NEW YORK, N. Y.—A pretty sure formula in radio is the man-and-wife domestic comedy—the familiar bumbling husband, a wife somewhat dizzy but the one who shows what sense there is, if any at all, in the family. For probably the first time, the idea is being adapted to network television. The Hartmans—Paul and Grace—are taking over Sunday nights (7:30 EST) on the East Coast video circuit, soon will expand westward. These are the same Hartmans renowned as satiric dancers. They took a fling at a light role ("Mr. and Mrs. North") a few years ago, since then have been widely acclaimed for their comedy talents. There is no dancing on the TV program.

TELEPHONE HOUR'S 10th

The "Telephone Hour," distinguished Monday night (NBC) musical program, is entering its 10th year of broadcasting. It has consistently held top rating among the classical programs. This is in contrast to for most groups like the New York Philharmonic—even Toscanini—having trouble gathering and holding an air audience. The "Telephone Hour's" success undoubtedly lies in its exclusive guest stars (among them: Kreisler, Tagliavini, Heifetz) and a 59-piece orchestra, directed by American conductor Donald Voorhees, second to none on the radio. Forty-two of Voorhees' men have been with him since the program's inception. Guest Lily Pons begins the show's 10th year (April 18).

TV LOOKS TO KIDDIES

"The Singing Lady," who charmed a generation of children via the radio, is back again—the first well polished act of her type on television. Petite Irene Wicker, from near Quincy, Ill., complained to a Chicago station manager about the quality of children's programs on the radio. He told her to produce a better one. She did, in 1931, using background music and subtle voice changes to suit her characters. Her art in four years placed the country girl in "Who's Who." Irene studied television at the pioneer Schenectady, N. Y., station. She decided children's stories on television need more action, to act out fantasies on her show has added the Suzari Marionettes. She's seen Sunday nights in the East and Midwest on ABC television, soon may be viewed elsewhere.

Very Little Things

Maestro Meredith Wilson, who heads his own ABC show Wed. nights, says the same four musical notes were used for the framework of "In the Gloaming," "Silent Night," "Good Old Summer-time," "Down by the Ohio" and "Iowa." Meredith is not being catty. He composed "Iowa" ...
